PLASTIC SURGERY

## Beauty is *Confidence.*

Not all improvements have to be surgical, but being led by an experienced surgeon helps you decide the right procedure for real results.

We help our patients not only look great, but also feel like the best version of themselves.

## *Injectables*

**Botox® Cosmetic** is an injectable medication that relaxes muscles to smooth fine lines and wrinkles. This injection is commonly used on the forehead, crow's feet (around the eyes), and between the eyebrows.

**Fillers** help revitalize, add volume and instantly diminish the appearance of fine lines and wrinkles giving a softer and more youthful look.

**Kybella®** is the only FDA approved injectable that permanently destroys moderate to severe fat under the chin. We recommend a series of 3 treatments for best results.

**QWO®** is a non-surgical injection used to treat cellulite of the buttocks and thighs. A series of 3 treatments is recommended for best results.

**PRP (Platelet-Rich Plasma)** is an advanced medical treatment that naturally enhances collagen production and regenerates tissue to improve the skin's ability to repair itself.

### **PRP Injections with Microneedling**

**OMG Shot™** is an injection for both women and men. PRP is injected into the vaginal/penile tissue to rejuvenate and enhance sexual pleasure.

**Thermiva®** is a nonsurgical, in-office procedure that uses radio-frequency to help with vaginal dryness, and vaginal laxity. A series of 3 treatments is recommended for best results.

**EvexiPEL Hormone Pellets** are Bioidentical Hormone Pellets that can alleviate hot flashes, night sweats, mood changes, memory loss, weight gain, fatigue or, loss of interest in sex.

**Initial consultation including blood work required.**

## *Non-Surgical*

A consultation is required prior to non-surgical treatments.

**Laser Hair Removal** helps to permanently reduce unwanted hair. We recommend a series of 6-8 treatments to achieve these results. A consultation is required prior to your treatment.

**IPL Photo Rejuvenation** is a laser treatment that helps to improve hyper-pigmentation, aging skin and broken capillaries, giving your skin a smoother and more even complexion. **A series of 3-6 treatments is recommended.**

**Laser Resurfacing™** is a laser treatment that helps improve fine lines, wrinkles and collagen production with minimal downtime. A series of 3-6 is recommended for best results.

**PhotoFabulous** is a powerful treatment that combines the use of IPL and Resurfacing. A series of 3-6 treatments are recommended for best results.

**CoolSculpting® Elite** is a non-invasive medical procedure that permanently removes stubborn fat cells by cryolipolysis (freezing fat cells). Treatable areas include the chin, abdomen, flanks, inner and outer thighs, and bra line. **Consultation Required.**

## *Facials*

**Hydra-facial** combines cleansing, exfoliation and extractions.

**Dermaplane** removes dead skin cells from the surface to improve texture, brightness and to rid the skin of "peach fuzz." **Dermaplane can be added to any service.**

**Detox** is excellent for acne, oily, or dull skin and can be performed on the face, chest and back. Extractions are included.

**Custom or Signature Facial** is a pampering facial for all skin types. It includes steam, massage and hot towels.

**ZO® 3-Step Peel** is a medium-depth peel that utilizes a blend of exfoliants and powerful retinols to resurface the skin. Post peel skin products are included.

**Microneedling** is a treatment that helps to reduce wrinkles, diminish scarring and tighten or rejuvenate loose or aging skin. Great for acne scars.

**Microneedling with PRP**

**Microneedling with PRP injections**

## Allē *Rewards*

Panhandle Plastic Surgery is partnered with Allē Rewards Program to help you save money on your aesthetic treatments.

As a member of Allē, you earn points each time you choose an Allē brand or other qualifying product or treatment. The points are added to your Allē wallet on eligible products or treatments for Allē and other brands.

For every 100 points you earn, you gain \$10 savings toward future injections or CoolSculpting®. Using your rewards is as simple as letting your provider know how many points or offers you'd like to apply to your transaction at checkout. No need to activate or convert points!

As an Allē member, you will have access to bonus points, surprise offers, discounted gift cards, and more! Remember to follow Allē on social media and check the app regularly to view offers.

Get started by downloading the Allē app and becoming a new member in a few simple steps. Then access and redeem your points directly from the app, browse curated content, and discover the latest in aesthetic treatments.
